

International Arbitration and Dispute Resolution Practice

Wilmer Cutler Pickering Hale and Dorr LLP offers one of the world's premier international arbitration and dispute resolution practices. We cover commercial and investment arbitration under the rules of all leading arbitration institutions and ad hoc arbitrations seated in a wide range of jurisdictions. We have represented individuals, companies, States and State-entities, achieving consistently successful outcomes for our clients. Our multinational team consists of over 70 lawyers, trained and qualified in the US and jurisdictions across Europe, Latin America and Asia.

PRACTICE AT A GLANCE

- We have extensive experience with arbitration administered by all of the major international arbitration institutions, including the ICC, LCIA, UNCITRAL, AAA/ICDR, SIAC, HKIAC, SCC and others, as well as more specialized forms of institutional arbitration and ad hoc arbitrations.
- In recent years, our arbitration group has handled more than 700 proceedings, in numerous arbitral seats, and governed by the laws of more than 70 different legal systems.
- We have represented clients in numerous disputes with values exceeding \$1 billion.
- Our lawyers have participated in more than 75 merits hearings in the past several years.
- In addition to representing clients as counsel, many of our lawyers regularly sit as arbitrators.
- Members of our team are widely regarded as the leading oral advocates of the international arbitration bar.
- Our team is multilingual and includes speakers of French, German, Greek, Gujarati, Hindi, Italian, Mandarin, Portuguese, Russian, Serbian/Croatian and Spanish.
- We are recognized by all the leading directories as one of the preeminent international arbitration practices in the world.

EXPERIENCE

We have particular experience in a number of specialized substantive areas, including:

Disputes involving States: disputes involving public international law, foreign states and state-owned entities.

Energy: representation of leading international energy companies in a wide range of disputes, including under operating agreements, joint bid agreements, concessions, oil and gas supply contracts and other arrangements.

Financial services: representation of leading financial services companies in a wide range of disputes, including securities-related disputes and regulatory investigations involving accounting and other related issues.

Joint venture, services and franchise disputes: joint venture, shareholder, corporate governance and control, and related disputes.

Insurance: insurance coverage disputes.

M&A disputes: disputes involving merger, acquisition, disposal and other related types of agreements.

Construction and engineering: disputes involving construction, engineering and related forms of contracts and projects.

Intellectual property: disputes involving patents, technology transfer and licensing agreements, copyright infringement, expropriation of trademarks.

Telecommunications: disputes involving acquisition, joint ventures, disposal and other related types of agreements.

Employment: disputes involving employment contracts.
